Hi Diane, Phil is not certain where he will be tomorrow so calling him directly may not work.
Let's use a conference line.

Hi Katrina,

The Muscogee Nation environmental staff requested a phone number for Mr. Turner so they can call him for the meeting. I asked him yesterday via phone and email for his phone number, but I have not heard a reply from Mr. Turner.

We will have a projector available to show maps.

You're welcome.
Diane

Hi Diane, Phil will not be able to join us, but will be able to call in. I have a call number, if there is a conference phone we can use.

Also, I will have my computer, so if there is a computer projector we can hook it up to show maps and such.

thanks
